

MINUTES OF REUNION PLANNING COMMITTEE MEETING SATURDAY, JUNE 30, 2018

“ ... I've been thinking 'bout all the faces we've missed so let's get back together and do it again ...”

The meeting was held at noon at The Quarry Golf Club and was attended by Bob Records, Mike Byrne, Gary McCaffrey, Randy Dietz, Loyd Gibbs, Jeannette Evans Wyland, Tim Grona and wife, Vickie Mays, and Rick Alexander.

FORMAT/TIMING

Most wanted the reunion to be more attuned to conversation and reconnecting to our fellow classmates. Nothing was decided except for the direction we are headed.

The traditional format would be the same as in past reunions, a two-night event held on a Friday and Saturday: Friday would be informal and pay-as-you-go; Saturday would be business casual attire. **However**, we are open to having **additional** day or evening events throughout the year, if that would better serve more classmates.

We discussed the usual Fall timing, perhaps the weekend of October 5-6, 2019. We also discussed having the reunion in May. Again, nothing firm yet.

VENUE

Venues have not yet been determined. However, several venues were discussed: for **Friday night**, The Hoffbrau House, and La Hacienda; for **Saturday night**, Old San Francisco Steakhouse, which is open only for special events, Quarry Golf Course, Kendalia Hall, Don Strange Ranch, the Buckhorn Saloon and the Menger Hotel. All members were tasked to suggest other venues for the next meeting.

BUDGET

The majority of those expressing an opinion in response to a class survey on use of the remaining class funds in the amount of approximately \$4,000 want to use the funds to defray the cost of the Saturday night event. As in the past, financial assistance would be provided to any classmate unable to attend for that reason.

SUBCOMMITTEES

The usual subcommittees will be staffed in the near future:

FACULTY OUTREACH/CLASSMATE OUTREACH: was discussed briefly for people to think about for the next meeting. It was noted that Butch Gerfers has a lot of Memorabilia so we will be contacting him.

IN MEMORY:

MEMORABILIA: see above

MUSIC: In keeping with our purpose of conversation and reconnecting, most did not want a band or DJ. However, we discussed the option of bringing our own speakers and Bluetooth in.

SLIDESHOW:

NEXT COMMITTEE MEETING

The next meeting will again be at The Quarry Golf Club on Saturday, July 28, 2018 at noon.
