

There are numerous Spirit Club items – check out their other cool stuff..!!

There is an impressive Brick Walk area at the school and the drive to sell Commemorative Bricks is ongoing. We are advised that they are installing approximately 50 bricks per year.

Follow the Spirit Organization link above to get to the form – or email to your class administration.

Commemorative Bricks are a nice way to stay involved with the school and run \$35 and up. Brick orders are requested by end of summer for installation early Spring.
